### **Billboard.com**

*The Damon Castillo Band had the formula to turn a crowd full of random conversation into a captive audience that couldn't take their eyes and ears away from the stage. In all...a funk and rock inspired return to very real music.*

### **Suite101.com**

*The warm summery feel of Damon Castillo Band's genre-defying Laurel Lane, was almost enough to take the chill out of the air this winter... the record is relevant, vulnerable and full of the trademark integrity that informs Damon's songwriting and marks the band as one of the most honest in the Californian independent music scene...Damon Castillo and his eponymous band are a group that constantly defy style and genre to define their own sound...this is a group with poise and purpose in spades.*

### **LiveDaily.com**

*Masterful musicianship and soulful lyrics abound on Laurel Lane – this is the work of artists who are truly passionate about the music they make.*

### **NoHo LA Music Scene**

*Damon Castillo's blending of rock with funk and jazz is a brave choice in today's music market, but they are consistently rewarding in their impassioned delivery of excellent original material...The Damon Castillo Band is a powerhouse group with terrific artistic vision.*

### **Sacramento News & Review**

*Remember the funky-up cosmic soul of pre- "I Just Called To Say I Love You" Stevie Wonder? How 'bout the polyrhythmic explorations of Headhunters-era Herbie Hancock?...This six piece, hailing from the 805 area code, is dedicated to stirring up echoes of that glorious mid-'70s era when R&B had an edge and pop bands jammed.*

### **Metro Santa Cruz**

*The Damon Castillo Band is a five-piece, powerhouse...Their music is an inventive form of Pop, combining elements of Rock, Soul, and Jazz...Combining powerful songwriting with the impressive musical talents of Damon Castillo, this is...Music at its best...*

### **New Times San Luis Obispo**

*The Damon Castillo Band is simply the smoothest, most original, best sounding pop band in the area, bar none.*
